Rabin's RDB Group Discusses Dairying In The Glades Area

Vern P. Tuttle, Manager of the Miami area and Joseph H. Harper, Procurement officer for Foremost appeared before Harold Rabin and his Agricultural Division on Tuesday to explain the project of their company at Hillsboro Plantation.

"We are not producers of milk," said Mr. Tuttle, but are distributors of milk and milk products; we manufacture some milk, particularly on the west coast. Our plants in the south-west Pacific, Japan and Korea have purchased the boys in the Korean project with milk and milk products right up to the front line. Florida's imports \$25,000,000 of milk annually and Florida can produce that or a good portion of it."

"Our project at Belle Glade is only a model, to demonstrate to the farmer just what can be done towards combining beef and milk cattle in the advantages of both."

Mr. Harper told of the work of his company in other parts of the State, especially with younger men who are just beginning in the dairy business. "We have never had a fore-closure, but have had to work hard to get some out of trouble. That's our business—to help the farmer set himself up and get him to operating on the right track. Our experienced men will help in securing cows, selecting equipment and installing system of operation."

It developed during the hearing that Foremost plans to "lot feed," which means hauling the grass to the cows fresh-cut each morning instead of taking the cows to and from the pasture. The addition of concentrate, as needed, to supplement the high protein grasses is intended.

Joe Tom Boynton, Chairman of the Dairy and Beef Cattle Committee of the Rabin's Agricultural Division, heartily endorsed the project as "a wonderful opportunity to Glades residents to add a few more milk cows to the addition to the annual beef check."

Ralph Kidder of the Experiment Station also endorsed dairying in the Glades and of offering an opportunity to produce milk from the very high protein grasses, as well as to work out a more efficient method of utilizing the great tonnage produced during the winter months.

George Young of the Cattlemen's Marketing Association also endorsed the idea enthusiastically, but warned against hasty participation before there is in possession of all the facts as to cost etc.

Alf Neilson, otherwise Alf Creamery, endorsed the idea of producing "manufactured" milk and praised the work of Foremost in initiating and spending their own money on demonstration of the plan in the Glades.

Arrangements are in the making for Joe Tom Boynton, for the Committee and Mr. Tuttle to arrange a service to find out just how many cattlemen will undertake to participate in a pilot scheme to produce milk on Hillsboro plantation. Full facilities for processing and processing of milk are being installed at the local plant.

Ralph Kidder warned cattlemen against depending on "some boys to milk dairy cattle—they don't make good milkers."

Land returned by Luther Jones.

GET ACCQUAINTED MEET HELD AT SCHOOL TUES.

Approximately 80 people attended the first acquainted meeting of the Home Economic Group of the Belle Glade High School Tuesday from 10 to 11 a.m.

The group included leaders of civic organizations, school teachers, ministers of the town, FFA officials and several parents. Refreshments of cookies and punch were served.

FIRST AID COURSE CONDUCTED AT SCHOOL

Ray Litchfield is instructing a "First Aid Course" at the High School every Monday night at 8:30 o'clock, for a two hour period which continues for nine weeks.

Every two years the Fire Department members take the first aid course to keep informed on the latest first aid. This course is open to the public also and Mr. Litchfield would like to have about ten more in the class.

Ford Moves Into Tractor And Farm Equipment Field

The Ford Motor Company has advanced from the sponsorship of farm tractors and field equipment into the actual responsibility of the parent company.

The Ford tractor will be Ford and the Dearborn equipment production will be a direct responsibility of the parent company.

Ford left-handedly entered the field several years ago with Ferguson and later thru the Dearborn organization, but is now "tooth and toe-nail" in the business.

Charles Bolton, Ford Dealer, says "Ford has designed, engineered and manufactured more than two million tractors, but is now operating with the Ford Tractor Division of the Ford Motor Company, and is assuming direct responsibility for both the tractor and the Dearborn implements."

"What this means to the farmer and to us as Ford Dealers is that we can look to Ford, even more than in the past, for the best farm equipment that modern methods can produce at the lowest possible cost."

Mr. Bolton continued, "We will have on hand the new Ford in design as it comes from the factory and we will keep the Glades abreast of the times."

NELSON MORRIS

1930 and engaged in farming ventures until his connection with Agricultural Inspectors. He served the Legion, commencing in Italy, France, Ireland and the Mediterranean and in the Rhineland, returning home to his position with the local firm in October of '45. Mr. Morris was the distinguished Chief of Police, several times served the Legion, and the good conduct medal.

In 1946 he married Miss Alice Fitch of Belle Glade, and two girls, Joyce and Susan join the wife, mother, two brothers and a sister in mourning his untimely death.

Serving as Adjutant of the local Post, and as a member of the Honor Guard, comrade Morris was a leader in the community. As a popular and active member of the local Lions Club and Manager of Agricultural Inspectors, Nelson Morris was widely known and popular with the younger business men of the community. He was considered a progressive citizen, a community-minded and a leader in this fast expanding area.

Korean Veteran To Instruct National Guard On Rifle

Attending drill last Monday night, with Co. "E" 211th Infantry, 1st Lt. Robert DeMarcelleux, Korean veteran, who has recently been assigned to the 2d Battalion, 1st Infantry, 1st Division, 2d Army, is scheduled to instruct the National Guard on rifle.

Major Enoch W. Hunt, Battalion training officer.

Lt. DeMarcelleux will be on duty and will be the instructor of Co. "E" personnel in subjects related to an Infantry Rifle Company. Having served in Korea for three months as a platoon leader, Lt. DeMarcelleux is fully qualified to give instruction in the use of the rifle.

Lt. DeMarcelleux is a graduate of Georgia Tech and received his commission through ROTC. After graduation he went through an Infantry Officer Course at Ft. Benning, Ga., before going to Korea, where he served with the Second Army in the central sector. He holds the Silver Star, awarded to him for meritorious service while in action. He was also awarded the Purple Heart for wounds received while on patrol with a reinforced squad on T-Boone Hill.

A lecture will be given by Lt. DeMarcelleux on his experiences in Korea, the date will be announced later.

Lt. Cromatic, Company Commander, states that Armory drill scheduled for Monday night, 7 September will not be held due to the Labor Day Holiday.

THREE REGISTRANTS FOR INDOOR CALL

The following registrants have been ordered to report for indoor call for Wednesday, September 9, 1953:

Albert Clay Stevens and Robert Earl Cook, both of the local Board No. 35, Dothan, Alabama, will also be called at this time.

These registrants are to report to the Local Board Office at 9:45 a.m. sharp on the date above mentioned, according to Mrs. F. W. Quinn, Local Board Clerk.

BLUES RIBBONS WON BY MRS. VAN HORN

Mrs. Ivan Van Horn won two blue ribbons on three blue entries in the Ft. Myers Hibiscus Show which was held Sunday in the Ft. Myers high school gymnasium. The show was sponsored by the James H. Henry Chapter of the American Hibiscus Society.

Mrs. Van Horn served as one of the judges in the show. Others attending from Belle Glade are Mrs. and Mrs. Van Horn, Mrs. and Mrs. Luther Jones.

MRS. GLADYS WILLIAMS PURCHASES MORTUARY EQUIPMENT FROM BERRY

Mrs. Gladys Williams announces the purchase of rolling stock, embalming equipment and supplies from Berry & Co., Inc. for the purpose of leasing to C. B. Weatherington as operator of Funeral Homes in Palmdale, Belle Glade and other communities around the Lake.

A more detailed announcement of the plans of operation will be announced in The Herald next week.

Nine Candidates For Three Offices Offering "Good Government" To City On No Outstanding Political Issue

LABOR TO BE SUBJECT AT MIAMI FFA MEET

Officials of the United States and Florida State Employment Service will explain the Federal and State Farm Placement Programs at the tenth annual convention of the Florida Fruit and Vegetable Association.

The convention will be held at the Casablanca Hotel, Miami Beach, on September 23, 24 and 25.

Pearce said, "Labor is always a subject of interest and concern to Florida growers and for that reason we have invited high ranking representatives of the Employment Service to be prominent on the Labor Forum, a permanent feature of our Convention."

RAMS LIGHT WEIGHT TEAM FACE TOUGH SCHEDULE

After two weeks of practice, Coaches Peacock and Ouellette coach 25 candidates for the 1953 edition of the Golden Rams.

Only 8 lettermen return from last year's squad which won one 6, lost 3 and tied 1. Of the lettermen only Junior Pitts and Levon Bass were starters. Five eligible lettermen will not return this year due to military service, operations, and similar reasons. A breakdown of the roster indicates 8 lettermen, 8 first year candidates (7 up from the junior high team), and 10 returnees from last year's squad.

The Rams face a tough schedule for any light, inexperienced team. Belle Glade opens competition with two new schools this year — opening with Miami Tech (opposing St. Mary's) and following later with Pompano, in the spot previously occupied by Key West.

Returning lettermen: Tucker, J. Pitts, E. Robinson. Tackles: M. Herring, J. Binkley. Backs: L. Bass, J. Schlechter, J. Parker, I. MacTegart.

Other candidates are: Guards: R. Tanner, P. Miller, K. Norris, W. L. Norman, J. W. Cunningham.

Centers: H. MacDonald, J. Robertson.

Tackles: J. C. Womack.

Ends: F. Jones, J. F. Wilcher, M. Cumpston, W. Garrett.

Backs: W. Mosley, B. J. Thomas, G. Caraway (J. Pierce transfer), W. Hopkins.

Run-off In Two Boroughs Most Likely With Three And Four Candidates

With the public endorsement of the Business and Professional Women's Club, Miss Sara Lee has entered the commission's race against incumbent Herman Close of the West Borough in an election to be held on September 15th.

"Cocky" Carlton has Lester Rudy, former Belle Glade policeman, and Judge Tedder, former mayor, Justice of Peace and long-time resident of the Glades, as opponents in the North Borough.

In the Central Borough, Zack Ingram has been in the race longer than anyone, with A. J. Richmond, former commissioner, joining on the last day. E. C. Mapp and Howard Bair are also in this central borough race.

As the City Manager problem has been limited to the voters for the same election, there doesn't seem to be much campaign material in this question.

Two candidates come out only for a running pool.

Water control for the city is mentioned by several.

There seems to be a strong feeling among some campaigners which are simmering underneath to come out in the open before election day comes, and maybe some fun will be generated after all.

As it stands publicly now everybody is "agin sin and fur the deer post."

Each candidate has been asked (Continued on Page 2)

PREINDUCTION CALL FOR SEPTEMBER 10

The Preinduction Call for September 10, 1953 is for two local men. In addition two registrants will appear for examination. These registrants will be transported by bus to the examination site. The date above mentioned, Mr. F. W. Quinn, Local Board Clerk has ordered registrants to report at the Local Board Office on Thursday, September 10, 1953 at 9:45 a.m. sharp.

HOSPITAL AUXILIARY MEETING SEPTEMBER 1

The Belle Glade Memorial Hospital Auxiliary will hold their first fall meeting, Tuesday, Sept. 1, at 2 p.m. Sept. 8. All members are requested to attend. Meeting will be held on the 2nd Tuesday of each month.

DOES IT MAKE SENSE?

The two holdover Commissioners are most conscious of and are active in promoting the flood control situation in southern Florida and particularly in the Glades.

Of the also running for office there are at least three known by experience the absolute necessity of water control in any farming or cattle venture in the Glades.

The other six by long experience in the Glades are enthusiastic proponents of the flood control plan.

It's agreed by everyone that our industry of farming in the Glades needs water control as much as it does fertilizer, plowing and trucks with which to get to and from the field with hams, apples and the harvest.

The recent rain, and particularly those of the weekend have proven to every household the need of flood control in the City of Belle Glade.

We're for the City Manager, more streets, sewerage disposal system, better light, mosquito control, better fire department and efficient police department, as well as an improved water department, all generally agreed upon.

We've just "let the cat out of the bag," but we have just water control now, and fair to average water control can be secured for the City from here out with a comparatively small expenditure of money.

We've got water control on our farm; Why can't we have it for our homes and businesses?

Ask the candidates!

RAIN SOUALL CAUSES COLLISION OF CARS

During a rain squall Friday afternoon at 3 p.m. two cars were involved in an accident due to poor visibility of one driver.

Mr. Lenora J. Harris, Ocoela Camp, driver of a panel truck going east, stopped at corner of S.E. First St. and Palm Beach Rd., started on but failed to see approaching car coming from the east driven by George Thomas, colored, West Palm Beach, who slowed down but was too late to avoid a collision which caused the Cadillac he was driving to hit a pine tree.

There were no injuries, and slight damage to the truck, but the Cadillac was badly wrecked.

Sgt. Paul Higbee and J. A. Congleton were on duty at scene of accident.

B. ELLIOTT TO DISCUSS MANAGER — COMMISSION FORM OF GOVERNMENT

The Business and Professional Women's Club is sponsoring a discussion by Representative B. Elliott of the City Manager as a part of the education form of government at a meeting to be held September 11th at 8:15 p.m. at the City Hall.

Representative Elliott, from his wide experience in discussing this subject and will answer questions from the audience.

The BAPWC feel that such a discussion at this time will be of benefit to the voters of Belle Glade, as this question is before them in the September 15th election.

Patrolmen Launch Holiday Drive

A feature of Holiday operations to reduce accident and loss of life will be launched by the Florida Highway Patrol starting at 6 p.m. Friday and continuing thru midnight, Sept. 7, according to Trooper Bertrand of the Highway Patrol in this area.

All civic clubs and organizations in this area are invited to send representatives to participate in the drive.

The object of this program is for the various members of civic clubs to ride with the patrolmen for three hours and to observe the areas are doing to reduce accidents.

One important point that Mr. Bertrand stressed is that the driver of a patrol car does so at his own risk.

Trooper McWilliams and Bertrand will be on duty during this Holiday drive. Those desiring to participate call Belle Glade 3185 or Pahokee Highway Patrol Office.

NINE CANDIDATES
 (Continued from Page One)
 ed by The Herald to outline his or her platform and are printed elsewhere in this issue.

ZACK T. INGRAM
 I have been a resident of Belle Glade for 15 years and associated with the Glades Equipment Company, and the agricultural development of the Glades.
 It is my belief, that Belle Glade should keep pace with the agricultural community it serves and that improvement and progress should follow

closely the development of the surrounding area.
 If elected I guarantee to give impartial service to the best of my ability, and promise a good clean administration to the citizens of Belle Glade.

Geo. E. TEDDER
 Friends of Belle Glade, I announced as a Councilman of Belle Glade because I am a citizen and taxpayer and feel that as such it is no more than my duty to want to help in any way I can in the future development of the town.
 I am Sixty-four years old and have had sufficient experience in managing my own business, and helping manage other business to see and understand what a business is.
 Your city business is nothing

more than a business that affects every citizen in its bounds. Remember that your pocketbook is nothing more than the City's Bank account and this should be guarded. We are not going to find money as free and easy as it has been and, I think we would do well to watch every step and not be caught with an over-load of expense on what you might think you had money coming in to pay for, but did not come. The taxes on your property is the only money that a City can safely say is sure, this has to be paid regardless. Other business can close up and move out but your property is here and must stand for what ever we are into.

My only platform is do as good job as I know how.
 I will appreciate your confidence in my ability.

E. C. MAPP
 candidate from Central Borough announces that if elected he will endeavor to do everything possible to make Belle Glade a better community in which to live. He is for the improvement of the city's drainage system, sanitary conditions and betterment of safety zoning.

HOWARD E. BAIR
 candidate for Commissioner from Central Borough says: "I am proud of our city. I want to see its continued growth and progress and will certainly do all I can to promote this, at the same time looking to the economy and efficiency of our city government."
 "I have been an active mem-

ber of Belle Glade Fire Department since 1938 and was instrumental in securing police radio for the City of Belle Glade. I installed and maintain the police radio—a more efficient crew with less police men is the result of this service. Having been closely connected with city affairs, I feel confident I can contribute to better city government."

SARA LEE CREECH
 As a citizen of Belle Glade I am a candidate for election to our City Commission.

I am not running against anyone nor with anyone.
 As a citizen I believe that we have a priceless heritage in our American machinery of democratic government, but, however cherished, it will work only when there is spirit and energy, interest and understanding of the people; that "politics" is the accepted avenue to activity in our National, State and local governments and that to maintain our system of government and to assure wise administration of our laws it is the duty of all men and women to be politically alert and active; that efficient service and civic achievements do not come by accident but through intelligent cooperation between public officials and the people in a constructive and comprehensive program for improving and promoting good government; that locally it should be the prime objective of all public officials and the people to protect this our heritage, and to establish for our City a reputation of foresight in planning and developing a community to meet the requirements of today and the challenge of future growth.
 With these obligations in mind my one promise is to all: I

pledge as your City Commissioner to keep well informed on important issues; to study those issues; to present the facts to the public honestly; to be responsive and reflect accurately the thinking of the local community; to express, through official channels, the aims and aspirations of the community; and to devote my action to community progress believing that "it is good for you and for me".
 For qualifications to serve as your City Commissioner I offer my personal reputation and my consistent record of community service.

LESTER RHUDY
 candidate for Commissioner from North Borough states that he does not have a platform

H. O. (Cocky) CARLTON
 incumbent from North Borough says: "I have sincerely tried to improve your city with the cooperation of the other commissioners for two years; better streets, drainage, keeping grass and weeds down."
 "For another two years I want to continue to make Belle Glade the BEST little city in all Florida."

HERMAN CLOSE
 In offering myself for re-election to the position of City Commissioner, I ask the voters to consider the accomplishments of the two years I have served. I pledge my efforts to a con-

tinuation of improvements already accomplished, those under way and for the following: City Manager; Better Water Control; Continued Improvement of the Streets; Continued improvement of our water by extension of source of supply into Lake Okechobee; Securing and developing the ten-acre park for colored people; Securing for park and public use five acres near the High School and continued work on streets and sidewalks around our schools.

A. J. RICHMOND
 Despite rumors to the contrary, I plan to remain a legal resident of the City of Belle Glade, and am offering myself as a Candidate for Commissioner from the Central Borough on that basis.

My son and I will continue to operate the plumbing business, and my two grandchildren will be reared in the community.

My previous experience as Commissioner, my business and family interests in the community in which I have lived for 24 years cause me to have the highest faith and confidence in its future and want it to continue to grow with the community, and enjoy those things beneficial to its people.

I have some very definite ideas about the swimming pool we have been discussing for

and would make no rash promises that he couldn't carry out himself. However, he is for a clean, honest and efficient government, and would not be a yes-man for any group or one person.

Mr. Rhudy also states that the government should be for taxpayers and not a chosen few, that each city department should operate within its own budget, sidewalks should be built on West Lake Road, as promised four years ago and that the drainage program should be finished as begun some three years ago.

(Paid Political Ad.)

TO THE VOTERS OF BELLE GLADE

I sincerely ask your vote on September 16th as a Commissioner from Centralboro. I have been a resident of Belle Glade for 18 years and associated with Glades Equipment Company.

These years in business have made me feel I am qualified to serve the City of Belle Glade as a Commissioner for the next two years.

If elected I guarantee to give impartial service to the best of my ability, and promise a good clean administration to the citizens of Belle Glade.

Zack T. Ingram

I SINCERELY SOLICIT YOUR VOTE

(Paid Political Ad.)

Belle Glade, Florida
Election Time

Dear Mr. and Mrs. Voter:

I am a Candidate for City Commissioner, North Borough, and being unable to see every voter in person, I am asking for your vote and support this way. I do not have a platform; I do not believe a candidate for city office should make promises that he cannot carry out by himself. I am for a clean, honest and efficient Government.

I believe that a City Government should be run for all the citizens and taxpayers, regardless of race, creed, color or religion, and not for just a chosen few.

I will not be a yes man for any group or one person. I would like to see every department of the city operating within its own budget.

I would like to see the sidewalk built on West Lake Road that was promised us four years ago.

I also would like to see the drainage program, on which approximately \$40,000.00 was spent three years ago, finished. I could write a list of promises that have been made to the Belle Glade Voters and taxpayers in the last five years.

I sincerely ask for your vote.

Yours truly,

LESTER RHUDDY.

Candidate for City Commissioner, North Borough.

(Paid Political Ad.)

It is the policy of the National Federation of Business and Professional Women's Clubs, Inc. to endorse qualified women for public office.

We heartily endorse SARA LEE CREECH as a candidate for the office of City Commissioner.

She is well qualified for the office. She has gained valuable experience as Chairman of the Recreational Council when she originated playground activities at the city park under a salaried director, as a member of the City Planning Board where she has demonstrated the ability to visualize the future growth of Belle Glade, as a Director of the Belle Glade Chamber of Commerce where she has continued her civic activities.

She has studied city government and is familiar with the functioning of the Belle Glade City Commission. We believe in her integrity, capability and integrity.

We urge you to elect SARA LEE CREECH as City Commissioner from West Borough.

NEGRO NEWS

EVERGLADES VOCATIONAL HIGH SCHOOL

On July first our Agricultural teacher began the New Year's program by making surveys and drawing up a program which will be carried out during the 1953-54 school term.

On August third through the eighth our agricultural teacher attended the annual Agricultural conference which was held at Florida State University at Tallahassee, Florida. This meeting was called by Mr. H. E. Wood, State Supervisor of Agricultural Education. At this conference, preliminary plans for the 1953-54 State Agricultural Program were drawn up, discussed and given out to each teacher so his local situation can be studied and a local program can be drawn up to best suit the boys in the respective areas.

At the close of the conference, Mr. Wood gave our evaluation sheets showing the accomplishment each local chapter had made in the last twelve months. Our local chapter met at Belle Glade NFA chapter. It was one of the six chapters in the state to win the Florida chain-store award of one pure bred Duroc Jersey gilt.

On August 28th Mr. Holliday, our Agricultural teacher, was requested by Mr. Wood to report to Reddick, Florida, to pick up this Duroc Jersey gilt. Our plan is to breed this gilt, when it is mated enough to be properly bred, with a registered male of the same breed.

In our NFA chapter program of work, we hope to develop a vegetable demonstration garden that will consist of fifteen or more different varieties of vegetables. A list of our objectives for the year will be publicized about two weeks after our classes begin in September.

The Forest Products Industry in Florida last year was valued at more than 323 million dollars, according to the Florida Forest Industries Association.

YOU NEED YOUR CHURCH YOUR CHURCH NEEDS YOU . . .

DEVOTION FOR SUNDAY, SEPT. 8

And the king shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me. Matthew 25:40.

Upon returning to the college dormitory after church one night, I learned from the cook that some food had been left over. Because it would not keep, he was thinking of giving it to the dogs. I thought that some people would be glad to eat it that night. I hastened to the main hall and found very quietly I joined myself to the circle and whispered the good news of the food to one of them. In a moment we found ourselves

making our way to the dormitory. After a prayer of thanks to God for the food and for those who were to eat it, they ate the food with delight. I thought that this is what our Lord meant when He said, "Inasmuch as ye have done it unto one of the least of my brethren, ye have done it unto me." Matthew 25:40.

PRAYER
Our Father, help us to remember that not only lip service is rendered to us but also life service. Help us in our efforts to do unto others as we would have them do unto us, to remember "It is more blessed to give than receive." In the name of Christ our Lord. Amen.

Thoughts For The Day
Service for others in Christ's name is service to God Himself.

CHURCH DIRECTORY

Mrs. Robert Roadman was hostess at her home in South Bay recently to the Executive Board of the ladies of the Presbyterian Church.

Plans were discussed for the District meeting for women of the Presbyterian Churches which will be held in Belle Glade October 30. About 150 are expected to attend.

Members present were: Mrs. Ralph Piper, Mrs. L. L. Price, Mrs. Edwin Zump, Mrs. C. E. Critchfield, Mrs. Gene Beck, Mrs. Richard Murray, and Mrs. W. K. Whitlock.

MRS. DALLAS MEELS HONOREE AT SOWER

The home of Mrs. Paul Kirchman was the scene of a stork-shaped complimenting Mrs. Dallas Meels, Friday night following the meeting of the Ladies Aid of St. Peter's Lutheran Church.

Prize winners in contests were Mrs. H. E. Riedel, Mrs. Bob Fleish, Jr., Mrs. Bob Fleish, Sr., and Mrs. G. A. Allbaugh.

The meeting of the Ladies Aid opened with the group singing, "Just As I Am."

Mrs. Harold Riedel gave the stork-shaped compliment. Mrs. Bob Fleish was accepted as a new member and appointed chairman of flower committee.

The group agreed to send a card and handkerchief to Mrs. Clarence Luhnman, a former member who has returned to her home in Fairmont, Minn.

Refreshments were served by Mrs. Kirchman.

The next meeting will be held at the home of Mrs. Bob Fleish on Pahokee Rd.

EPISCOPALIANS MARK FIRST SUCCESSFUL STEP ESTABLISHING CHURCH

Last Sunday night when the members and friends of St. John's Episcopal Mission assembled at the home of Mrs. Tommy Chappell to recite Evening Prayer and hear Mrs. Stafford Beach speak on "Spiritual Healing" and "The Healing Ministry of the Church," it

marked the end of one phase of their existence and the beginning of a new one.

About nine months ago, a meeting of Episcopals and others was held in Dr. G. R. Townsend's home to test the feasibility of a successful church in this city. The response was so gratifying that the Sunday night meetings have been held ever since. The members and their friends taking turns entertaining the group in their homes.

Now that phase of the mission's history is nearly completed, as last Sunday was the last of the night sessions. The group of Sunday morning services will be inaugurated at the Women's Club on Sunday, Sept. 13.

Mr. Townsend will be the speaker Sunday night and will talk on, "The Conversion of the Church," based on a book of that title by the Rev. Sam. Shoemaker, rector of Calvary Episcopal Church, Pittsburgh, Pa., at 3d Livey's home.

RADIO COMMISSION SELECTS STEVENS

The Rev. Paul M. Stevens, pastor of the First Baptist Church in Ada, Oklahoma, and a member of the Radio and Television Commission of the Southern Baptist Convention, has been elected Director of the Commission. He is expected to take up his new duties about the first of October.

Born in Dayton, Ohio, Oct. 9, 1915, Dr. Stevens moved to Mississippi with his family in 1927, and graduated from a high school in Jackson, Mississippi in the Spring of 1934. He entered Mississippi College in Clinton as pre-medical student in the Fall of that same year, and he was converted on April 29, 1935 in the old First Baptist Church of Clinton during a series of meetings conducted by Dr. Leo Green.

He entered evangelistic work with a team of college students conducting youth revivals in Louisiana, Mississippi and Tennessee. It was in the course of these meetings that he conceived the idea of the International Sunday School Lesson.

LESSON TOPIC — "The Christian's Use of Possessions"
SCRIPTURE — 1 Timothy 6:8-9

INTRODUCTION:
Paul gives some advice that is sorely needed in our day; the attitude of the Christian toward his possessions.

I. Godliness is a Way of Gain — 1 Timothy 6:3
This possession money cannot buy, yet it is the most valuable possession available to all.

II. Godliness with Contentment — 1 Timothy 6:8-9
One of the most important things that the Church can do today is to teach the people of this materialistic age to know the meaning of Godliness with contentment.

III. The Desire to be Rich — 1 Timothy 6:9-10
This desire has been the ruin of many a life. Our prisons are full of those driven by this blind desire. Many a home cannot be called a home, because of this desire which overrides the more important functions of family life. This false god has soured the lives of millions of people and has made them become idolatry in which the worship of mammon replaces the worship of God.

IV. The Charge to the Rich — 1 Timothy 6:17-19
The rich are warned against the sins that can come from riches. He warns that the rich and all men are to be stewards of their possessions, and are to do good with their material means. When a man does this, he is laying up treasure in heaven, which will last all eternity. It is a serious thing to have wealth that is earthly and be poor in the wealth spiritual.

met Norma Stebbins in Greenville, Mississippi and they were married March 7, 1937. Dr. and Mrs. Stevens moved to Waco, Texas in the Fall of 1937, and he received his A.B. degree from Baylor University in 1938.

He entered the field of religious education, serving as Educational Director of the Columbus Avenue Baptist Church in Waco, the First Baptist Church in Greenville, and the First Baptist Church in Denton, Texas. He felt a call to preach, and was ordained in 1941.

He studied briefly at the Southern Baptist Theological Seminary in Louisville, Kentucky in 1941 and entered the Army as a Chaplain in December, 1942. He served as an Army Chaplain until February, 1946. He was then pastor of the Bolivar, Texas Baptist Church from 1946 to 1948; pastor of the First Baptist Church in Wharton, Texas from 1948 and 1949, and has been pastor of the First Baptist Church in Ada since 1949.

During his four years in Ada, Dr. Stevens has led the church through a 50-50 division of its budget. Gifts to the Cooperative Program rose from 1075 in 1948 to 5875 in 1952. The Ada Baptist Church was the first in the Southern Baptist Convention to reach the 50-50 goal. In addition, the church has had some 750 baptisms and approximately 1,800 additions during the past four years.

During the time Dr. Stevens was serving as pastor at Bolivar and Wharton, Texas he was studying at the Southern Baptist Theological Seminary at Fort Worth. He completed the Master of Theology Degree there in 1948.

Dr. and Mrs. Stevens have four children, Paul, Jr., 15; John, 13; Mary Margaret, 12; and Mark, 1½.

"The whole of the inspirations of our civilization springs from the teachings of Christ and the lessons of the prophets. To read the Bible for these fundamentals is a necessity of American life." — Herbert Hoover.

THIS WEEK'S SERMONETTE
Wonderful Promises
Taken From Missionary Volunteer

During the last days of His ministry on earth, Jesus made very remarkable promises regarding prayer. He said, "And whoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. If ye shall ask anything in My name, I will do it." John 14:13, 14. Again, "If ye have faith, and doubt not, ye shall not only do to the fig tree, but also if ye shall say unto this mountain, Be thou removed, and be thou cast into the sea; it shall be done. And all things, whatsoever ye shall ask in prayer, believing, ye shall receive." Matthew 21: 21, 22.
